

Parent questionnaire

As a community School, Al Ashraf Primary School values parental support to enrich the educational experiences of our Children. Key areas of support include volunteering and fundraising.

Al Ashraf Senior Leadership Team (SLT) appreciates that parents already make an important financial contribution to their child's education and the running of the school. So, we truly appreciate the extra support that is offered.

We would like to hear YOUR VIEWS on the extra curricular activities and fundraising possibilities. Please take a few minutes to let us know which events and activities are of interest to you and your children.
