

WHAT ARE YEAR 2 LEARNING ABOUT THIS TERM?

LITERACY

This term we are going to explore our imagination and try to think outside the box! Using the stories of The Bear and the Piano and Flat Rabbit as well as the oral re-telling of the Red Gold Dragon, we will enjoy listening to, creating our own stories and performing them to an audience.

We will also use conjunctions to expand sentences before writing our own recounts in a diary form

NUMERACY

Number and place value

-Estimate and count a number of objects up to 100

- Locate numbers on 0–100 beaded lines and 1–100 squares

- Compare pairs of numbers and find a number in between

- Order 2-digit numbers

Number bonds

-Know multiple of 10 number bonds to 100, learn bonds to 20, rehearse number bonds to 10 and 20 using stories

Doubles and halves/addition

-Add several small numbers spotting near doubles or pairs to 10, etc.

- Double 2-digit numbers

Addition and Subtraction - Counting on and back

- Solve addition and subtraction problems using concrete and pictorial representations

TOPIC – VICTORIAN

This term we are going to learn about Queen Victoria and how she reigned over one of the largest kingdoms in history. We will learn about her life as the Monarch and her life as a wife, mother and grandmother.

We will also explore and experience what it was like for children to go to school during this era.

YEAR 2

TERM 1

ART/DT

We will learn how to:

- stitch different materials together
- design and make my own puppet
- further go on to design my own Victorian costume
- make my costume to wear on 'Victorian day'

SCIENCE

ANIMALS INCLUDING HUMANS

This term we will hatch eggs and study the life cycle of chickens.

Build an understanding that exercise makes the heart work harder and that it is an essential part of a healthy lifestyle.

Find out about healthy lunch box foods before designing and sharing your own snack

Produce a piece of up levelled scientific write up

PSHE

We will learn about ourselves as developing individuals and as members of a community. We will learn the basic rules and skills for keeping ourselves healthy and safe and for behaving well.

PE

This term we are going to work on our football skills by practicing ball control and working as part of a team. We will finish the term with a football tournament
