

## ENGLISH

### **RECOUNTS:**

The children will be writing recounts about their summer holiday. They will be studying an example recount to discover the great language we need to use to describe what we did. They will be writing their own recounts using conjunctions to compose complex sentences.

### **TRADITIONAL POEMS:**

The children will be studying traditional poems about World War Two. We will be exploring adjectives, powerful verbs and similes. They will be performing poems they have written.

## HISTORY

### **WORLD WAR TWO:**

- Explain the events leading up to the outbreak of World War II.
- Describe how people on the home front contributed to the war effort.
- Describe the roles and responsibilities of the armed forces.
- Describe the events from the Battle of Britain.

## SCIENCE

### **ANIMALS INCLUDING HUMANS:**

- Explain why and how living things obtain food.
- Compare and group animals by their diet.
- Identify bones in the human body and the function of the skeleton.

## PSHE

### **HOLDING A DIALOGUE**

- Understand what a dialogue is.
- Understand what makes a good dialogue.

## MATHS

- Recap understanding of place value within 2 and 3 digit-numbers.
- Use greater and less than signs and place numbers on a number line.
- Recap and learn about methods that they can use to mentally calculate addition and subtraction problems including number bonds.
- Recap key times tables and spend time looking at easy ways they can multiply and divide.

## ICT

### **HOW COMPUTERS WORK**

In this unit, children learn how a basic computer is built and what it entails. They will be able to understand computer networks and think about how computers are linked together.

## PHYSICAL EDUCATION

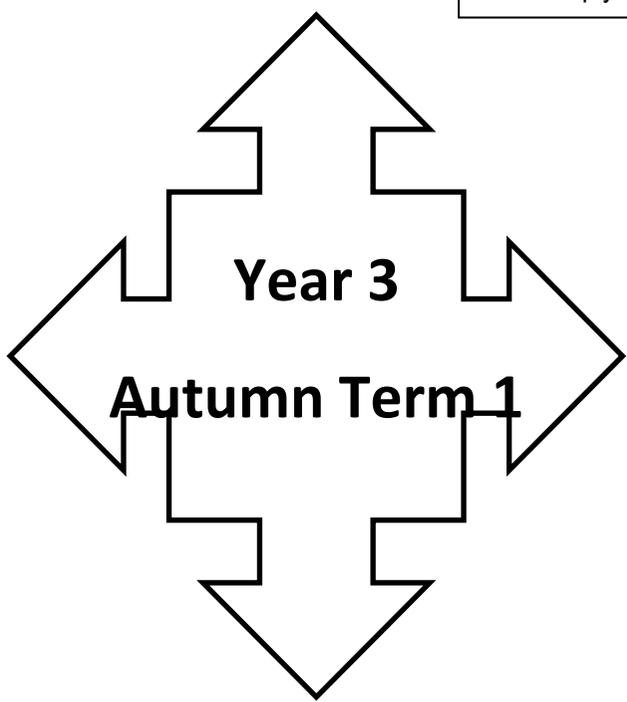

### **FOOTBALL:**

Children will learn about the basic rules and principles in football. Skills taught will include dribbling, passing, receiving, tackling, turning, shooting and defending. During the unit, children will have the opportunity to play games against each other.

## RELIGIOUS EDUCATION

### **ISLAM:**

- Learn about Ashura (10<sup>th</sup> Muharram) and its importance to Islam.
- Learn the story of Musa (AS)'s emancipation from the tyranny of pharaoh.

**Year 3**  
**Autumn Term 1**

## ART (WITH LINKS TO HISTORY)

### **BRITISH/WAR ART:**

- Use different shades of pencils to create different tones and lines.
- Create a Blitz scene.
- Research the work of LS Lowry and create own painting based on the style of artist.
