

Monday 7th October 2013 Lo:can I write a persuasive text?

Why is Al-Ashraf is the best school?

This piece of writing will make you want to come to Al-Ashraf. All the fun teachers will teach you about Islamic morals and how to read the Quran off by heart. Your brain will show because you know so much!

You will learn lots of spelling and teachers will help you. I believe that the teachers are better than any other teachers in the world. The teaching is fabulous and exciting.

Every day there are letters for cooking clubs, gardening clubs and madressah.

In the school, there are work walls and on the work walls there is all your best work. It strikes me that there is sometimes cold fabulous ice-creams as a treat. As you can see, we include water fights, trips and extra work. Did you know that we do fabulous sports days?
