

English:

In the first 4 weeks, Elm has focused on instructional texts. We have explored lists, imperative verbs, nouns and command sentences.

In the last 4 weeks, we are focusing on fairy tales. We have story mapped Goldilocks and the Three Bears and are going to create our own versions!

Physical Education:

In PE this term, we are concentrating on gymnastics. We are exploring different ways of moving as well as focusing on building our co-ordination and balance.

Science:

Y1- My Body

Inspecting what makes up our bodies and exploring our sense.

Y2- Growth and Survival

Exploring how we grow and the difference between us, along with investigating what humans and animals need to survive.

PSHE:

We are focusing on keeping ourselves healthy by looking at food, hygiene and exercise.

Computing:

We are exploring digital texts and images as well as identifying the difference between hardware and software.

Maths:

In maths, Elm class have been working on their place value. They are exploring numbers to 20/100 and showing their understanding of numbers.

We are going to be exploring simple addition and subtraction, using +, - and =.

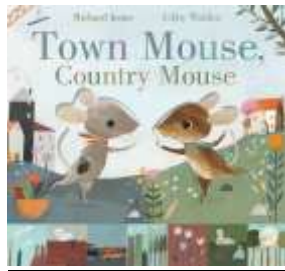

Art:

We are building upon our sketching, painting and colouring skills within art this term. Looking at portraits and self-portraits will enable us to use a range of techniques and apply them in different ways.

Autumn 1

Elm Class

Class Texts:

Geography:

Where do I live?

We are investigating planet earth, becoming detectives to find out about different continents, oceans and countries. We will look closer at the UK exploring its cities and town, including Gloucester!
