

## MATHS:

- Reading and writing numbers.
- Identify the place value of digits.
- Rounding
- Negative numbers
- Column addition
- Column subtraction
- Compact column multiplication
- Short division (y5) and long division year 6

## LITERACY:

Fiction (story opening): After reading the first chapter of 'Room 13', we will be looking at the features of a story opener and then writing our own horror story opening.

Non- Fiction (film review): After watching a mystery film, (in preparation for our mystery story writing next term) we will be internalising the text 'Pixar does it again', unpicking the features and finally writing our own.

## ICT:

We will be discussing the difference between the World Wide Web and the internet, then looking at search engines and finally creating our own hyperlinked PowerPoint quiz.

## PSHE:

How can we keep ourselves safe outside of our house? What are the potential dangers/ risks?

# OAK CLASS TERM 1

## SCIENCE:

Animals including humans- we will be looking at the different parts of the circulatory system and their functions, how the circulatory system and digestive system are connected and recognising the impact of diet, drugs, exercise and lifestyle.

## GEOGRAPHY:

This term we will be studying 'our local area'. We will be looking at different physical and human features found in Gloucester, as well as key facts about the area.

## PE- gymnastics

We will be looking at different balances, rolls, headstands/ handstands, then creating our own gymnastics routine that tells a story.

## DESIGN AND TECHNOLOGY:

Linking into our Science unit, we will be discussing nutrition. We will then be creating our own burgers that have the brief of being both nutritious and healthy.
